

## DM2T1300 / 350gsm

# Digital Wallcovering - Digimura 2.1 TACTILE

### Overview

#### Description

Graced with a slightly raised and subtle cross-hatch texture, this sophisticated high-white finish defuses light beautifully and gives graphics a 'true art' feel. Whether using an understated graphic to add ambiance to a space or a high-colour image to take centre stage, this tactile finish will dress to perfection.
